

TOWN OF PORT HAWKESBURY

Port Hawkesbury Community Trails

Come and explore a 10-kilometre system of trails that takes you through a spectacular tapestry of rolling terrain, hardwood and softwood forests plus gently flowing brooks and streams.

Sunrise to 10pm

Please, and thank you

TOWN OF PORT HAWKESBURY

Port Hawkesbury Community Trails

Our Supporters

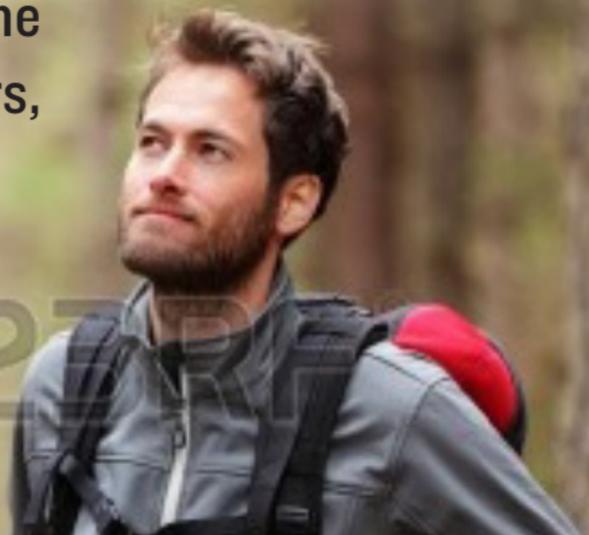

Conveniently located in the Town of Port Hawkesbury, this wonderful system of all-season trails will appeal to both the avid and casual hiker. Discover a wide variety of plants and wildlife as the 10-kilometre trail system winds its way through majestic hardwood stands, softwood forests and along gently flowing brooks and streams. A series of rest areas inviting you to stop and enjoy the surrounding scenery can be found throughout the trail.

Parking is located at Grant's Pond, Crandall Road and the Recreations Grounds. Look for the trail signs at these entry points—with helpful orientation signage featured along the trail system.

The Port Hawkesbury Trail System provides a tremendous year-round experience for walkers, hikers, and cross-country skiers. Dogs are welcome but must be leashed within 200 metres of the entrance/exit areas. Please note that the trails are unsupervised and the Town of Port Hawkesbury assumes no responsibility for the safety of trail users.

Come enjoy the
great outdoors,
right in your
backyard.

For information on the Port Hawkesbury Community Trails, or if you are interested in other Active Transportation opportunities throughout the town, please contact the Port Hawkesbury Park, Recreation and Tourism Department at 625-2591 or www.townofporthawkesbury.ca.
